

Kelly+Partners Accountants Ranks 30 on San Fernando Valley Business Journal's Top 100 Accounting Firm List in Inaugural Year

LOS ANGELES, CA (April 1, 2024) – Kelly+Partners Accountants has been recognized as one of the top 100 accounting firms in Los Angeles, ranking 30 on the San Fernando Valley Business Journal's list of the 100 largest accounting firms. The recognition comes in the firm's inaugural year of operations in the California market and also follows its recent ranking at 71 in the Los Angeles Business Journal's Top 100 accounting firms list.

Since inception in 2006, Kelly+Partners Accountants has achieved a 30% average revenue growth per annum through successfully executing a programmatic acquisition strategy in the Australian accounting services market, which has now expanded into the US market. With Southern California locations in Malibu, Newport Beach, Burbank, and Woodland Hills, Kelly+Partners continues to expand their reach to meet the unique needs of Private Business Owners and their families.

"It's great to be recognized by the San Fernando Valley Business Journal in our first year of operations in the US. This recognition reflects the trust and commitment from our two maiden partnerships in Southern California: Mike Landau from Landau, Swartz & McCarty LLP and Nate Foersch, who joined as a partner in Mike's team in Woodland Hills, and Jeff Neumeister from Neumeister and Associates LLP in Burbank." said Kelly+Partners Accountants' Founder and CEO Brett Kelly.

The top 100 ranking follows Kelly+Partners Group Holdings (ASX: KPG) recent addition on the OTCQX® Best Market, the highest quality tier of over-the-counter markets. Trading under the symbol "[KPGHF](#)", listing on the OTCQX provides another avenue for international investors and shareholders to access shares in the Australian Stock Exchange listed company.
